

INSTITUTE OF ADVANCED VIROLOGY
An Autonomous Institution under Science and Technology Department,
Government of Kerala

No.IAV/415-3/R & D/2022

08.08.2022

Short-term Voluntary Traineeship

Institute of Advanced Virology (IAV) is an autonomous research institution established under the Science and Technology Department, Government of Kerala towards addressing the pressing need to enhance indigenous capacity in the key areas of molecular diagnosis, therapy and prevention to combat emerging viral diseases, development of Monoclonal/Therapeutic antibodies, Advanced Diagnostics and Antivirals against medically important viruses and for training and education in the context of research and thereby develop a pool of trained manpower in various domains of Virology.

(IAV) seeks volunteers to undergo traineeship in the fields of viral diagnosis and molecular virology.

Eligibility:

Educational & other essential qualifications	MSc. or equivalent degree in Life Sciences/allied subjects from a recognised University with 60% marks or equivalent CGPA.
--	---

Duration: The duration of the training will be upto a period of 6 months.

Notes:

1. Applications on plain paper with detailed CV should be sent by e-mail to hr@iav.res.in.
2. The vacancies are limited and in case more applications are received, selection will be based on the inputs received after personal interaction of the applicants with IAV faculty.
3. No TA/DA or remuneration will be paid to the voluntary trainees.
4. Selected trainees should make their own arrangements for travel/accommodation.

5. The trainees undergoing voluntary training will not have any claim for future positions at IAV (permanent or otherwise).
6. Those who have completed the qualifying course only will be considered for voluntary traineeship.
7. The Director, IAV reserves the right to decide on all the matters pertaining to the short term voluntary traineeship.
8. The selected trainees are required to join within 15 days from date of intimation.
