INSTITUTE OF ADVANCED VIROLOGY (IAV)
An Autonomous Institution under Science and Technology Department,
Government of Kerala

Selection Procedure:

- Applications will be initially screened and short-listed based on the eligibility criteria; and the quality of publications
- The short-listed candidates have to appear for an interview for final selection.

Duration: The duration of appointment will be for a period of one year. The position is purely temporary and coterminous with the project. Extension beyond the initial period of appointment of one year will be based on the yearly progress evaluation by the Program Monitoring Committee (PMC). The evaluation will be strictly based on the achievements against the mile-stones set. If the progress is not satisfactory, no further extension will be given.

Last date of Submission of Application :05th September 2024; 10 AM

Notes:

1. Only those candidates fulfilling all the essential qualifications, and qualifying the screening by a duly constituted screening committee will be short-listed for further selection process.
 2. Candidates without primary research publications in indexed journals need NOT apply. Review papers will not be considered.
 3. Those who have obtained course completion certificate/ provisional degree certificate after successful completion of open defense can apply. Applications from candidates with mere submission of doctoral thesis will not be considered
 4. Canvassing in any form is not permitted and any interim enquiry will not be entertained.
 5. The position is purely temporary, and selection to the position will not entitle the candidate any claim for future positions at IAV (permanent or otherwise)
 6. The Director IAV reserves the right to decide on any matter related to the selection procedure, including cancellation of the selection process, if circumstances demand SO.
 7. The selected candidates are required to join within one month from the date of issue of appointment order.
