INSTITUTE OF ADVANCED VIROLOGY (IAV)
An Autonomous Institution under Science and Technology Department,
Government of Kerala

Selection Procedure:

- Applications will be initially screened and short-listed based on the eligibility criteria.
- The short-listed candidates have to appear for the selection process which may consist of a written test and/or interview for the final selection.

Duration: The duration of appointment will be for a period of one year. The position is purely temporary and coterminous with the project. Extension beyond the initial period of appointment of one year will be based on the yearly progress evaluation. If the progress is not satisfactory, no further extension will be given.

Last date and time for submission of application: 21.10.2024; 10.00 AM.

Link to submit the online application: <https://forms.gle/Bo3EJZEJN1qmF9xm8>

Notes:

1. Only those candidates fulfilling all the essential qualifications, and qualifying the screening by a duly constituted screening committee will be short-listed for further selection process
2. The CGPA/Grade to % conversion formula (issued by competitive authority) applicable for the degree awarding institution (wherever grading other than % is used) has to be submitted along with the application, if the formula is not already provided in the certificate or mark sheet.
3. The nature of work of the position involves working in laboratories which handles infectious agents. The applicants are to satisfy themselves about their medical fitness for the position prior to applying and should submit a medical certificate proving the same in case of selection.
4. Candidates in their final year of qualifying degree need not apply.
5. Canvassing in any form is not permitted and any interim enquiry will not be entertained.
6. The position is purely temporary; and selection to the position will not entitle the candidate any claim for future positions at IAV (permanent or otherwise).
