RECRUITMENT NOTIFICATION – TEMPORARY PROJECT POSITION

The flagship research programs of Institute of Advanced Virology (IAV), addresses the pressing need to enhance indigenous capacity in the key areas of molecular diagnosis, therapy and prevention to combat emerging viral diseases and for development of Monoclonal/Therapeutic antibodies, Advanced Diagnostics and Antivirals against medically important viruses. Institute seeks support from highly motivated and enthusiastic candidates for the below mentioned project positions at its Synthetic Chemistry Laboratory:

1. Name of Position: Project Scientist

| | |
|---|--|
| Age | 45 years as on 07.02.2025 |
| No. of Vacancies | One |
| Essential Educational qualifications & Experience | <ul style="list-style-type: none">• PhD in the subject area of Chemistry• Five years postdoctoral experience in chemistry laboratories of central/state government organisations• Expertise in multi-step synthesis of small molecules on a multigram scale• Proficiency in separation, purification and analysis compounds using various analytical techniques• Research publications in peer-reviewed, PubMed/SCI indexed journals of repute |
| Desirable Qualification | <ul style="list-style-type: none">• Experience in management of synthetic chemistry laboratories |
| Emoluments (consolidated) | ₹ 55,000/- per month |
| Link to submit the online application | https://forms.gle/U186FcHfv1SWCf3k7 |
| Last date of Submission of Application | 7 th February 2025; 05:00 PM |

Bio 360 Life Science Park, Thonnakkal, Thiruvananthapuram, Kerala - 695 317
E-mail: info@iav.res.in, Website : www.iav.kerala.gov.in, Contact No. 0471- 2710050

2. Name of Position: Project Associate

| | |
|---|---|
| Age | 35 years as on 07.02.2025 |
| No. of Vacancies | One |
| Essential Educational qualifications & Experience | <ul style="list-style-type: none">• Master's degree in Chemistry from a recognized Board /University/Institute as a regular full-time course with 60% marks or corresponding CGPA.• Research experience in organic synthesis |
| Desirable Qualification | <ul style="list-style-type: none">• Experience in separation, purification and analysis of organic compounds |
| Emoluments (consolidated) | ₹ 25,000/- per month |
| Link to submit the online application | https://forms.gle/E1uSxCrXRkBs6KP5A |
| Last date of Submission of Application | 7 th February 2025; 05:00 PM |

Application fee: Rs. 200+GST. The payment of fees has to be made through SB collect as per following procedure.

| Select | Institute of Advanced Virology |
| Select | Fees Recruitment |
| Make payment for | Rs.236/- |

Selection procedure:

Applications will be initially screened and short-listed based on the eligibility criteria followed by written test and/or personal interview of the candidates.

Last date of submission of online application: 7th February 2025; 05:00 PM

Notes:

1. Only those candidates fulfilling all the essential qualifications, and qualifying the screening by a duly constituted screening committee will be short-listed for further selection process.
2. The CGPA/Grade to % conversion formula (issued by competent authority) applicable for the degree awarding institution (wherever grading other than % is used) has to be submitted along with the application, if the formula is not already provided in the certificate/mark sheet.
3. The initial appointment will be for a period of one year and subsequent extensions will be based on the institute requirement and performance.
4. Canvassing in any form is not permitted and any interim enquiry will not be entertained.
5. The position is purely temporary; and selection to the position will not entitle the candidate any claim for future positions at IAV (permanent or otherwise).
6. All the correspondences pertaining to this notification will be through e-mail only and hence the candidates are requested to provide a valid e-mail ID.
7. The amendments in the notification (if any) and the results will be published in the website of the Institute and the applicants are to regularly check the websites for updates.
8. The Director, IAV reserves the right to decide on any matter related to the selection procedure, including cancellation of the selection process, if circumstances demand so.
9. The nature of work of the position involves working in a laboratory which handles infectious agents. The applicants are to satisfy themselves about their medical fitness for the position prior to applying and should submit a medical certificate proving the same in case of selection.
10. The selected candidates are required to join within 15 days from the date of issue of appointment order.
