**BoQ : SUPPLY AND INSTALLATION OF CARBON DIOXIDE EUTHANASIA/
ANAESTHESIA CHAMBER FOR MICE AND RAT**

The tentative quantity of the item to be supplied is as follows:

SI No	Description of the item	Deno	Quantity
1	SUPPLY AND INSTALLATION OF CARBON DIOXIDE EUTHANASIA/ ANAESTHESIA CHAMBER FOR MICE AND RAT	Nos	1.

Instructions to Bidders including Terms and Conditions

1.Scope of Bid

SUPPLY AND INSTALLATION OF CARBON DIOXIDE EUTHANASIA/ ANAESTHESIA CHAMBER FOR MICE AND RAT as per the specifications given below:

a)	Should allow controlled delivery and exhaust of anaesthetic or euthanasia gas.
b)	Internal volume - 5-7 litres.
c)	Transparent plexiglass or clear perspex for real-time monitoring of the animal inside the chamber.
d)	Airtight design with positive pressure gaskets or O-ring seals to minimise leakage.
e)	Should have a sliding or latched lid for easy access
f)	Should have 2 ports (The gas inlet connects to standard anaesthesia machines, and the outlet connects to a charcoal filter exhaust)on the same side for reduced clutter in the procedure area.
g)	Should be compatible with CO2, isoflurane or sevoflurane gases.
h)	Anaesthesia/ Euthanasia time - 2-5 minutes.
i)	Should have a quick-connect tubing interface.

2. Cost of Bidding

2.1 The Bidder shall bear all costs associated with the preparation and submission of its bid and the IAV shall in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding.

3. Amendment in the Tender Document

3.1. At any time prior to the deadline for submission of bids, the IAV may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, modify the Tender Document by way of amendment(s).

3.2. Amendments will be uploaded in the Institute website www.iav.kerala.gov.in and shall be binding on the bidders. Further, it will be assumed that the Bidder has taken into account such amendments while submitting the bid.

4. Language of Bid

4.1. The bid prepared by the Bidder and all correspondence and documents related to the tender exchanged by the Bidder and the IAV shall be in English and the contract shall be construed and interpreted in accordance with that language.

4.2. If any of the brochures, leaflets or communication is prepared in any language other than English, a translation of such document, correspondence or communication to English shall also be provided at the cost and risk of the bidder. The translation so provided shall prevail in matters of interpretation. The bidder, with respect to such documents, correspondence, and communications, shall bear the costs and risks of such translation.

5. Eligibility Criteria

5.1 The contractor/agency be manufacturer or authorised supplier of the product and should have valid GST registration (proof of experience /authorization from OEM to be submitted along with the bid).

6. Documents Comprising the Bid:

All bids must be substantially responsive and shall comprise the **Technical Bid and Commercial Bid in separate sealed covers** suitably superscribed as Technical Bid and Commercial Bid. Cover 1 should contain the technical bid and Cover 2 should contain the commercial bids.

The technical bid should contain a compliance statement as per **Annexure I** and shall submit along with supporting **technical literature/brochure** for evaluation.

7. Financial Bid

The bidder shall quote the rates and amount in the format prescribed as per this tender document at **Annexure II**. The price shall be inclusive of all taxes and other costs involved. Conditional bids shall not be considered.

OTHER TERMS AND CONDITION

1. Period of Validity of Bids: Bids shall remain valid for a period of 90 days after the date of deadline for submission of bids prescribed by the IAV.

2. Deadline for submission of Bids

The deadline for submission of bids is **14.08.2025 at 12.30 p.m.** The IAV may, at its discretion, extend this deadline for submission of bids in which case all rights of the IAV and all obligations of the Bidders will thereafter be subject to the deadline as extended.

3. Opening and Examination of Bids

a. The technical bids will be **opened on 14.08.2025 at 3.00 p.m.** Bidders or their representative may be present during the opening of technical bids, if they wish to be present.

b. The IAV will evaluate the technical bids as per the terms of the tender. Those bids, whose technical bids fulfil the technical requirements and are responsive to the tender requirements will be considered. Those bids which found to be either non-responsive, not satisfying the technical requirements or both will not be considered and will be rejected.

d. The IAV will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required security has been furnished, whether the documents have been properly signed and whether the bids are generally in order.

e. Prior to the detailed evaluation, the IAV will determine whether each bid is complete and is substantially responsive to the Tender Document. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions and specifications of the Tender Document without material deviations, exceptions, objections, conditionality or reservations.

f. If a bid is not substantially responsive, it shall be rejected by the IAV and may not subsequently be made responsive by the bidder by correction of the nonconformity. The IAV's determination of bid responsiveness will be based on the contents of the bid itself and any written clarifications submitted by the bidder.

4. Clarification of Bids:

During the bid evaluation, the IAV may, at its discretion, ask the Bidder for clarifications of their bid in writing/e-mail and the bidder is also required to provide the clarification in writing. No change in the price or substance of the bid shall be sought, offered or permitted.

5. Evaluation of Responsive Bids:

The IAV will evaluate the bids that have been determined to be substantially responsive and are confirming with the technical specifications. **Only those firms who have qualified in the technical evaluation shall be considered for financial evaluation.**

6. Contacting the Institute

a. From the time of bid opening to the time of Contract award, if any Bidder wishes to contact the IAV on any matter related to the bid, it shall do so in writing.

b. If a Bidder tries to directly influence the IAV or otherwise interfere in the bid evaluation process and the Contract award decision, his bid shall be rejected.

7. Award Criteria

IAV will award the contract to the Bidder whose bid has been determined to be substantially responsive, technically qualified and the Lowest Quoted Evaluated Bid.

8. Right to Accept/Reject/Modify Bids

a. The IAV reserves the right to accept or reject any bid or to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the Bidders.

b. The IAV reserves the right to negotiate with the Bidder having the Lowest Evaluated Bid.

9. Issue of purchase order

Prior to the expiration of the period of bid validity, the IAV will issue the Purchase Order to the successful bidder in writing. The bidder has to complete the supply & installation within the 30 days from the date of issue of purchase order.

10. Terms of Payment

Payment will be made only after completion of supply & installation as per the specifications to the satisfaction of the officials of the Institute.

16.Governing Law:

The Contract shall be governed by and interpreted in accordance with the laws of India.

17.Settlement of Disputes:

Any dispute or claim arising out of/relating to this tender or the breach, termination or the invalidity thereof, shall be settled by the Hon'ble Courts of Justice at Thiruvananthapuram.

18.All the pages of the bids, including all supporting documents enclosed with the tender document, should be marked in all pages serially and the declaration for the same shall be submitted by the bidder as **Annexure III**.

19.Institute of Advanced Virology reserves the right to accept or reject any or all the tenders in part or whole or may cancel the tender at its sole discretion without assigning any reason whatsoever. No further correspondence in this regard will be entertained
