ONE- MONTH INTERNSHIP OPPORTUNITY NOVEMBER 2026

To develop a skilled workforce in the field of virology, internship opportunities are offered to students **currently** undergoing graduate/post-graduation courses in Life Science subjects. This internship is conducted in BSL-2 level laboratories under the mentorship of experienced scientists across the following departments:

SI No	Department	Vacancies
1	General Virology	1
2	Viral Diagnostics	2
3	Viral Vaccines	2
4	Antiviral Drug Research	1
5	Virus Applications	2
6	Virus Epidemiology, Vector Dynamics & Public Health	2
7	Virus Genomics, Bioinformatics & Statistics	1
8	Clinical Virology	1

Date of commencement: 02.11.2026

Duration of internship: One month

Applicable Fee: Rs. 11,800/-

Last date of submission of online application: 16.10.2026, 10:00 AM

The applications are to be submitted online through the given link:
<https://forms.gle/HHhPDkdfCUDkSVnC9>

The applicants shall submit a recommendation letter from the Head of Department/Principal along with the application.

If the number of applicants is high for a specific session, the selection shall be based on a written test.

No specific project will be assigned during the training period, and no project report/thesis shall be provided after the internship. The participants shall be given the opportunity to have hands-on experience in the laboratories. Certification will be issued for those who successfully complete the internship.
